Dear Sir/Madam,

I Peter Kariuki Mwangi Head/teacher St. Mary's Primary together with staff have selected the following pupils for your consideration.

- |    |          |           |
|----|----------|-----------|
| 1. | Richard  | Index 016 |
| 2. | Purity   | Index 005 |
| 3. | Winfrida | Index 010 |

I hereby confirm that the above have REAL FINANCIAL NEED. They also have a very good chance in excelling given the opportunity.

On individual basis

1. Richard Index 016. The boy is proving to be very good infact the last evaluation test he led class of 243 pupils with 413 marks. The family is very poor. The father he has is NOT the biological father thus has no business with him. He mistreats the boy. He has a very bright future if given any assistance.
2. Purity index 005 comes from a very poor family. The family has eight children but very bright. Mostly they live of handouts. If assisted she has a very bright future.
3. Winfrida index 010 has a single parent without a permanent home. Due to poverty the mother is desperate and sometimes mistreats the daughter. As teachers we have confidence in her. In fact she is one of our prefects.

On behalf of my staff I really thank your organization for the support you have to our school.

On our side we promise also to do our best.

I really thank you.

Yours faithfully

  
**PETER KARIUKI MWANGI  
HEADTEACHER**
