NEED FOR SCHOLARSHIP

I should be considered with this scholarship for school fees. I requested you for fees of secondary school because our family is poor.

My brother had learnt up to form four but when that year he was to do KCSE my father became sick and he got out. My father was admitted at Nuthale Mission Hospital for several months. So he was to get money when he was working at Kabati town as a salesman but when he became sick we were not to do anything. So my brother got out of school.

Our family has six children and two parents. The second and first born they didn't finish school. One he got out at standard six and another at form four. The third born is at Kattika secondary form two and he sponsored by uncle.

My father had Tuberculosis and he is
