Dear sir/madam

REF: APPLICATION FOR A SCHOLARSHIP.

I am a girl of fifteen years. My name is Murabi Anastacia Mbura. I was living with my grandmother because unfortunately I lost my parents at the age of eight years. Rumour has it that my parents passed away through HIV/AIDS in the year 2004 and 2005 respectively.

We were three children when they died. Our first born doesn't go to school because of lack of money and finally lost hope. I am the second born and I am going to sit for the K.C.P.E this year. Our last born is in class five.

Right now I am living with my aunt because my grandmother is too old to work and meet our daily needs. My grandmother and her three sons who are married live on one acre piece of land and does not cater for their daily needs.

My aunt lives in a rental house, she sells vegetables in order to get food for her two children and I, sometimes she doesn't sell and this results to sleeping hungry.

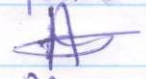

Despite this I have decided to enquire and want to realize my dream of being a doctor. Now that none of my family members can take up the responsibility of my school fees, I sincerely pray and hope to get someone to pay my school fees.

I am delighted and pray for you as you consider my application.

Murabi Anastacia Mburu

Thank you

Yours faithfully,

Murabi Anastacia Mburu
