DEAR SIR/MADAM

REF: APPLICATION FOR ASSISTANCE.

I am writing this to request for assistance in secondary school fees payment. I am a boy aged sixteen years and all in all I am going to sit for my Kenya Certificate of primary Education this year 2013.

I have both parents but both are casual labourer. My father cannot pay for me even primary school fees because he is a drunkard. My mother struggles alot so that we can atleast get our basic needs. All of these interferes with my performance and also my brothers' performance.

We are three children in our family and I am the third born. Our first brother is nineteen-years-old, while our second brother is eighteen-years-old. The first one is at Nwenga Karume secondary school in form three while the other one is in Molo secondary school. Their performance have gone down because of being at home each and every time. For now they are at home for about one and a half weeks because of lack of money.

We stay in rented house which also interferes with our academic, for now we have not paid for the house in three months but my mother is trying

through struggling to do it. Two weeks ago, my father came at home and beat up my mother while drunk because we were not near for us to help her. We were sorry about it but it forced her to go to stay with my grandmother for four days. It makes me to think about it while in class but I'll make sure to improve my performance.

I am humbly requesting for assisting me with secondary school fees payment. If you consider my request I will be so grateful carrying on with my education studies.

YOUR FAITHFULLY,

JOEL GACHOICA NJOROGE.
