Dear Sir/Madam,
REF: APPLICATION FOR SPONSERSHIP.

I kindly request to be sponsored to join form one next year 2014.

I was born in 1992. I am a girl aged twenty one years. I am born in a family of five children and I am the first born.

I joined school in 2000 in class one. After class seven in 2007 my mother passed away. In 2008 and being the first born I was discontinued to look after my younger siblings especial the baby of one day that was left. As I was looking after the baby I was forced into sex and I got a baby girl in 2009 in December who is now four years.

After being out of school for almost five years I decided to go back to school in class seven in 2012 through the support of my grandmother's sister. My father wouldn't manage because he is supporting other children namely fanice kemunto, Erick Migosi, Janet Nyambwe, Aninta Keubo and Deborah Bosibori who is my daughter. My father is casual labour. He strains in providing basic needs in the family. He doesn't have any formal employment.

Due to difficulties in our family, my sister fanice who is my follower, did not complete

her Primary Education. She got married and now she is suffering as she can't afford to feed her child as she was married by poor man.

I hope that you will consider my request. Given the opportunity I promise to work extra hard to get good marks so that in future to help my family out of poverty.

Yours faithfully

Lydia Kwamboka Myamongo
