ST. MARY'S BOYS PRIMARY SCHOOL,

P.O. BOX 92,

MOLDO.

Dear sir / Madam

RE: APPLICATION FOR SPONSORSHIP.

I kindly apply for secondary sponsorship to continue with my education. My name is Mercy Nyanchama. I am a pupil at St. Mary's Boys Primary. I am doing my final exams this year. I did the same exams in the year 2012 and I scored 284 marks. But I was unable to join form one due to lack of money. I decided to repeat to improve my performance. My vision is to proceed to the university.

I have got five siblings, one brother and four sisters. Coming from a needy family my brother never managed to join secondary school due to lack of money. My other two sisters managed to join secondary school and completed but they have not joined college due to lack of money. My brother lives in Nairobi, he is a conductor of a Matatu. My sister lives with my aunt in Nairobi, and the third born lives with my grandmother in Kisii. The other two young sisters live at Moldo where we live with our mother.

My parents are not financially able. My father stays at outskirts of Nairobi doing shuddy jobs, to upkeep our family needs. My mother does small scale farming where we live. We live in a muddy-walled house. My dream is to become a journalist in future. My desire is to help other needy children, because I have seen some young boys and girls suffering because they are not well taken care of. I

will be very happy if you will assist me to continue with my education. Looking forward your assistance. Thankyou in advance.

Yours faithfully,
Maiziba Mercy Nyanchama.
