REQUEST FOR SCHOLARSHIP.

I am one of top class eight pupils from Kinyingi primary school. I request you to scholar me because I want to learn. In my family we are five children who are studying. I request for school fees because I want to learn and help my young siblings. My father is a peasant and my mother has died. In our studying we study with a lot of problems.

I request you to scholar me because in my family my father couldn't pay for school fees. He struggles very hard to get school fees but he only gets a few. He is not able to pay for my school fees and for the others. My siblings are studying but they feel lonely because their school uniform is different from the other pupils. Their school uniforms are

They use school uniforms which are used and given to them by ~~their~~ ^{our} neighbours. When going to school we go bare feet. As for me, I usually behave like others but they used to laugh at me because I am different from them. Our family is a very poor
