Dear sir/mackim

RE: APPLICATION FOR SPONSORSHIP

I am a pupil in St Mary's Mixed primary school. I did my Kenya Certificate of primary Education in the year 2012 and I managed to score 315 marks. I decided to repeat class eight due to lack of school fees.

My mother who was a single mother used to be employed as a casual worker. At times she missed work. In the year 2008 she moved to Narok to be employed as a peasant worker in wheat plantation. She stayed in Narok from 2008 to early 2009. When she came back to Molo, her health had deteriorated. She was on and off hospital though she worked. In April the year 2010, she was admitted at Molo District hospital where she stayed for two months and then passed on.

She left us in rental premises - I and my two brothers. I am the second born son. My elder brother is Peter Kainaina and my younger brother is Richard Kimani. We were left under the care of our grandmother who is a drunkard and also would lack food and other needs for us. She could not go to work due to drunkenness.

I could not stand staying with her because she is too old and she could not manage to take care for us. I left my younger brother there and come to join my older brother who is a student

at Molo secondary school. My elder brother who is in form four advised me to ^{repeat} instead of wasting time at home, though with little hope I made up my mind to repeat.

My younger brother who ~~had~~ ^{repeated} done his k.c.p.e last year also ^{repeated} due to lack of school fees. He managed to score 286 in the k.c.p.e. He opted to stay with my great grandmother in Subukia. The two of us are candidates this year. We are expecting good marks but little hope of joining high schools due to lack of school fees.

My elder brother who is in form four has been assisted by his primary school teachers up to the far he has reached. I and my elder brother we are living in the church. Despite of that, I have not given up in life. I ^{am} determined to reach the height of education. I therefore kindly request ^{sponsorship} to enable me realize my dream of becoming an engineer. God bless you as you plan to help me.

Yours faithfull

James Ndirangu.
