Dear sirmadam.

REF: APPLICATION FOR ASSISTANCE IN JOINING SEC. SCHOOL.

I will be very grateful if you assist me in secondary school education. I'm a girl aged sixteen. I am a in Kambala Primary School. I live in a small village called Moto with my three sisters and three brothers. I am the second born and expecting to do my K.C.P.E this year.

My elder brother's name is Simon Mwai. He is in Tayan Secondary School. My mother pays his school fees. My mother's name is Naomi Wangari. She is HIV in status but positively live. She does casual labourer which ends up making her weak. We depend on the money my mother earns when she is well. When she is unwell the work of getting our daily bread hard. Moreover my brother stays at home for weeks or even months because he lacks school fees.

My father escaped after my mother was seriously ill and even was near to die. After he had left us, food percentage took the highest ~~part~~ <sup>problem</sup>. This makes us sleep without taking anything. Sometimes, we receive food from well-wisher and neighbours. Sometimes, my teacher helps me where needed.

We live in a rented house and sometimes my mother has to struggle in order to get money to pay the rent. This makes life difficult. Most of the times is when my mother is sick. When she is well, she can work if she gets.

Sometimes, I don't have hope of joining secondary school although I work hard hoping to get an assistance. I even find myself regretting why I was born in this family. I am fearing what I will end up being more so, when I look at my family status.

If only you humbly assist me, I'm looking forward to attain above three hundred and eighty marks so that I can join a good high school and change my family status.

I'm working hard at school and at home so that I can achieve my goal of becoming a bank manager. Lastly, I really need your aid. I believe that you will assist me. May God bless you. Thanks in advance.

Yours faithfully
