Dear sir/madam,

REF: APPLICATION FOR ASSISTANCE IN SECONDARY
EDUCATION

I humbly request for your assistance in my secondary school fees. I'm a girl aged thirteen presently class eight. I live in a small Estate called Milimani. Before the Post Election Violence, we lived in a place called Sachangwari. My mother is a single mother and I am the only child she has. As we were in that place we were facing many challenges because there are no jobs. My grandmother decided to take us to her home in Keringet. Before doing that, the post Election Violence started. She was sent away from her home. She was lucky to seek refuge in Malo for her house was burnt to ashes. In Malo, God had mercy on my grandmother and she built a house to live..

The church she used to worship helped her with the house. She said the Shamba at Keringet bought a small plot and built a wooden house inside we have put cartons to prevent cold. As for my grandmother, she can't work and makes it hard for us to survive with my mother. My mother takes care of her mother and can not manage to buy kerosene for lantern. I sometimes stay without reading more than two days. This affects my performance.

As for me, sometimes I even cry because of hunger.

I look forward to attain three hundred and fifty marks and above so that I can join a good high school. My grandmother is suffering from stomachache and backache. That's the main problem that makes it hard for my mother to get money for treatment.

I'm working very hard at school and home so that I can achieve my goal of becoming a doctor.

Lastly, I faithfully ask for your aid. I believe that you will assist me. May the Almighty God bless the work of Your hands and make it prosperous and increase in countless numbers. Thankyou.

Yours faithfully
