Dear Sir/Madam.

REF: ASSISTANCE IN SECONDARY SCHOOL EDUCATION

It's my request that I ask for assistance in secondary fees. I am a boy aged fifteen years in class eight.

My father and mother passed on and left us orphans. My grandmother then decided to be our guardian. My father's relatives are drunkers and don't care for us or whether we exist.

My elder sister who is called Oridah Ademo, finished her secondary education and attained a mean grade B- which was not best for her. She was helped by busary and grandmother.

My brother second born is called Daniel Abugozu, he is now in secondary in Elburgon. He is sponsored by Muru Organisation.

We were ~~three~~<sup>of</sup> us when my parents died. I understand they were ~~was~~ HIV positive. I ~~am~~<sup>am</sup> the youngest and I did not know my parents.

After my sister did her exams, waiting for her results, she was taking care of Madam Mrs Orwenyo who has been sick. And at one time Makuru women representative wanted a house help, Mrs Orwenyo surrendered her to go.

When she was doing the house help job, the women representative heard her story and sympathized with her and now she sponsored her to and take diploma in pharmacy.

My grandmother is now aged and has no strength to go for casual labourer. She has already given up that she will not be able to educate me. I have not lost hope and I am sure and working hard for God's way are not man's ways. In the last examination I did and attained 366 mark, I am working hard and hoping to get 400 marks when the results will be out.

I know with goodness and grace of God you will be touched by God and also assist me in my studies. I promise I will never let you down.

At present my grandmother is paying for house rent. Previously she was been accommodated by a well wisher.

I request you for your help in order to achieve my goals in education, as education is a key for my life and without it, I will only live a horrible life. My God bless the work of your hands. Thank you.

Your faithfully

~~Antony~~
