Dear madam/sir,

RE: SPONSORSHIP TO SECONDARY SCHOOL.

I am a class eight candidate of St. Mary's Boys. I live at Munju near Peace. I live with my mother and my stepfather. He works as a farmer labourer the same as my mother. I am the only child in my family. They earn two hundred per day. Sometimes they lack that work. And we lack enough basic needs. We stay hungry.

I also lack only one thousand Shillings for school fees every term. So, headmaster had mercy on me and he gave me time to pay little by little. But I understand that even though the roots are bitter I will work so that the fruit will be sweet. I wake-up at crack of dawn everyday because we don't have enough money to purchase kerosene for home usage and for me to study. I go to school because our headmaster had provided us with light energy. Where I go to add my knowledge.

We rent a house at three hundred Shillings per month. But sometimes when they lack job it brings quarrel amongst us and our landlord. That house we live is not comfortable, but that never worry me at all.

I am always working hard and I am scoring three hundred and above marks. I believe I will pass with flying colours. In future I would like my dreams to be fulfilled. Therefore I look forward for a favourable answer. So that I would

judge.

Because we experience all those problems I glance and see that my parents can not afford secondary fees. And that's why I request for your Sponsorship. So that I can be able to pursue my secondary education come the year 2015.

Yours faithfully,

~~Mk.~~

Margaret Wangari.
