Dear sir / madam,

RE: SPONSORSHIP TO SECONDARY SCHOOL

My name is Richard Kimani. I am a boy aged sixteen years. We were born three boys. I am the last born to the family of the late Miss Wangui Margaret. Our first born brother is the provider of our basic needs from the little money he earns from his casual jobs. Our second born is the former candidate from the school.

I am performing very well, he got the sponsorship in wings to fly and he is in high school at Jomo Kenyatta Secondary school. We live in a shanty house that sometimes my brother has difficulty in paying the rent of only three hundred shillings. In school I perform very well and my range is 350-400 marks. I work very hard in order to get sponsorship like my brother.

At home, it is difficult to find something to eat. My brother sometimes comes home empty handed. The little money he gets from casual job he pays for PTA money. Most of the times I plead with my class teachers to help us in some things for our daily needs.

It is also difficult to get clothes, because the little he gets is enough for food and some basic needs. Sometimes well-wishers assist us with some old clothes and shoes. They also help us some items like personal effects.

If you will assist me in sponsoring me to

Secondary school, I will be grateful so that I can make my dreams come true of becoming a teacher so that I can help other pupils with difficulties the way my teachers help me.

Yours faithfully

Richard Kimani
