Dear sir/Madam

REF: SPONSERSHIP TO SECONDARY SCHOOL

I am a class eight candidate ready to sit for my final exam of Kenya certificate of primary education. We are a family of three boys and one girl who is married in Embakasi with three children.

It was five when our mother died. Life was not easy then. After the burial we were separated to members of extended family.

I stayed with my aunt for a few months. My aunt's daughter took me to stay with her in Nairobi. After staying with her without taking me to school, my elder sister took me to South C to a children's home.

Our second born who is about eighteen years dropped out of school when he was in form two due to lack of fees. He stays in Muranga, Kagari doing casual job. Our last born stays with my aunt Muranga Mugika and in class for.

After staying in the children's home with by being mistreated and becoming sick every time, my aunt who lived at Githurai Nairobi

Life was not easy, my aunt struggled all the time to get something for us to eat. She took me to Kimbo primary school. I did not have anything to eat during lunch time so my teacher used to give me lunch. ~~\_\_\_\_\_~~ sometime at night we slept hungry with my aunt who did casual work. I was taken by an old woman from my aunt. She brought me to Mukinyai Molo. I stayed with her for one year then I was taken by a good samaritan who brought me to this school.

This family has been taking care of me from 2013 to date. They have three children who I stay with them at New Location ~~\_\_\_\_\_~~ Molo. Even though they are caring for me, they cannot afford to pay for my secondary school fees, because of the heavy load of paying fees for their children.

I hope you will consider my request because I want to achieve my goal of becoming a pilot.

Yours faithfully,
