Dear Sir/Madam

My name is David Mokaya Nyairo. I am fourteen years old
I learn at St Mary's Mixed primary school

I am a total orphan since my mother passed on in the year
2010 followed by my father the year 2013; leaving behind the eight
of us in new Location Estate in a rented house

My elder brother is married and he is a casual worker. The second
born is married and he is a casual worker. The third born is married
and is a casual worker. The fourth born is married and she is a casual
worker. The fifth born lives in Mbita near Rusinga Highland with My
grandmother. I and my younger siblings we learn in St Mary's mixed
primary school.

My brother Kenedy Nyairo is our guardian. He has been
a casual worker since my father passed on. We sometimes go without
food since the salary he earns is not enough to provide for our basic
needs.

I humbly request for highschool Sponsorship since it
has been very difficult for my brother to provide for us. Sometimes
I am sent home for school fees which I stay home for many days. Paying
my highschool fees will be another challenge for him to solve. I
will thank God when I get sponsorship and I will help my
younger siblings and those who are in need.

Yours faithfully,

AA

David Mokaya Nyairo.
