

Meet their basic needs with the other siblings. Their survival is from hand to mouth. She is always in acute need to continue with her education.

6 ENMACULATE GWADZAYA

She is a single parent child. The mother struggles to earn them their daily bread because she mostly depend on casual labour. In most cases she is not able to sustain them in school and even provide the basic needs to them.

I highly look forward for your positive consideration for our applicants. They are good performers.
Thank you in advance.

Yours faithfully

H Teacher,
Mrs. Catherine Nganga
