Dear Sir/Madam.

My name is Rhoda Kemunto Monyenye. I am twelve years old. I am a girl in standard eight at St Mary's mixed primary school. I am from a single family. My mother's name is Jaspine Monyenye Isomba. We are four in our family. My eldest brother and my two siblings. I am the only girl in our family.

My mother does not earn any income to earn a living for us. She is taking care of her two sick brothers. They were being taken care of by my grandparents but my grandmother passed away. She left the two patients in my mother's hand. Moreover my mother is sick. She is suffering from leg problems. She cannot work or walk far from home. This is why my aunt took ~~me~~^{us} from our home.

Now I live with my mother's sister at a new location in a rental house. She is the one who takes care of us all. My oldest brother ~~is~~ is in form one at Tayari Secondary school. My two siblings are in nursery school at New-Location nursery school. My aunt is working as a casual worker in Shambas to earn a living. So it is difficult for her to provide all things for us. Now things are getting harder. My aunt must pay for us a school

fees. In our days it is difficult for her to work because she is getting sick. I request for a Sponsor. If I will get one I will work hard to achieve my dream.

I kindly request a Sponsor to pay my school fees, because it is difficult for my aunt to pay for all of us. Thank you.

Yours Faithfull

~~Rhoda~~
